

MYCASEY'S

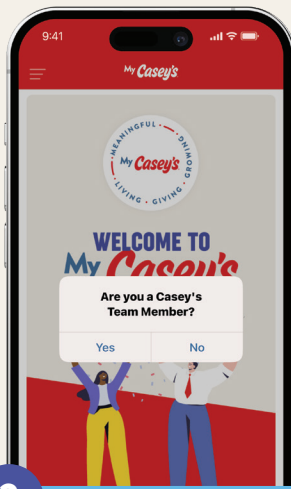

IOS ONBOARDING INSTRUCTIONS

1. First, please select "New User? Register". You will then receive this message.

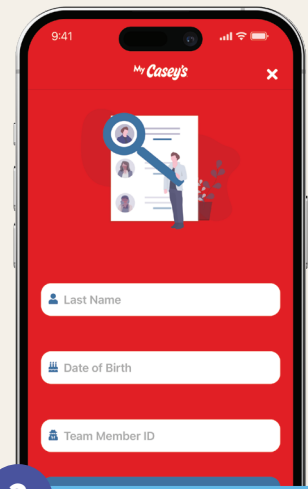

1

2. If "Yes" is selected, you will receive this message: "Are you a Casey's Team Member?"

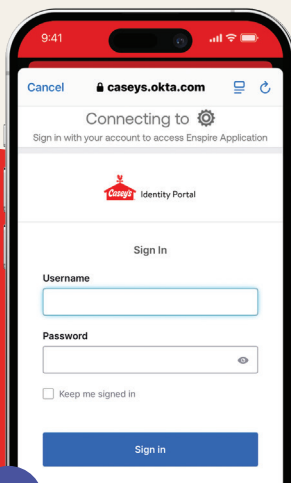

2

3. If "Yes" is selected again, an onboarding screen will appear. You can now enter your information and create your login credentials.

3

4. If you select "No" for the question, "Are you a Field, Store, Distribution, Driver, or Public User?", Okta will be your onboarding option.

4

5. Once onboarded, users who used Okta to onboard will need to select "Yes" to this question. It appears after a user selects "Login" and will allow you to login with your Okta credentials.
